PREFACE TO THE NINTH EDITION

Among the procedural laws of the land, Criminal Procedure Code is the important, and the daily fellow of the lawyers and others related to adjudication. To cope with the changing situation and the nature of the suits, considerable case law, reported in DLR, MLR, BLD, BLT and BLC upto January, 2005 and few amendments made after 2003 has duly examined and incorporated in this edition, as such our valued readers may be benefited without any trouble.

I express my warm gratitude to Mr. Ansar Ali Khan Sr. Jurist and Author of several books on laws and others, who has compiled this edition. I am also grateful to Mr. Abul Hossain, prominent law books publisher and proprietor of Bangladesh Law Book Company, Dhaka, having taken risk to publish this edition. It would be self-centred Ness if I donot express any gratitude to those who have assisted me directly & indirectly in this regards.

Inspite of our best efforts & attention, there might be some errors or omissions for which we shall be thankful if those are brought to our notice. Suggestion for improvement from the learned readers are always welcome and will be kept in view in the next edition.

May, 2005.
